

Ammunition Training Requirements

Fort Pickett

Points of Contact

2d Marine Division
G-4 Ammo

- ❖ MSgt Babineaux (910) 451-8378
- ❖ Sgt Kachadurian (910) 451-9029

Overview

- Vehicle Inspection
- Ammo Drivers
- Upload & Transport
- Turn Ins
- Field Ammunition Supply Point

Vehicle Inspection

- Each vehicle must
 - Pass criteria in DD Form 626
 - (2) Fire Extinguishers rated @10BC
 - Two 5BC fire extinguishers do NOT constitute one 10BC fire extinguisher
 - (2) Chock Blocks
 - (6) straps for securing ammo (minimum)
 - Must secure all ammunition loads
 - Highway Warning Kit (includes Triangles)
 - Waterproof/Fire Resistant Tarp
 - Able to cover ammunition

Ammo Drivers

- Must Have

- DD Form 836

- Driver & A-Driver & Ammo Techs

- Hazmat/Explosive qualified including any of the following:

- Ammo-62 Technical Trans of Hazardous Materials (Cadillac of the HazMat certs)

- Ammo-37-DL General Transportation of Hazardous Materials

- Ammo-67-DL HazMat Familiarization & Safety in Transp-DL

Upload & Transport

- Cargo compartment will be clean and free of any and all debris prior to loading ammunition
- Open body type vehicle
 - Must be covered by Fire-Resistant Tarp
 - Ammo will NOT be loaded above tailgate or body of vehicle
- Compatibility will be adhered to
- Quantity of ammo that will be expended during training will be uploaded
- Loaded vehicles are NOT permitted off FT Picket
- Movement will avoid
 - Troop concentrations, housing/billeting areas, federal, state, & county thoroughfares, heavily traveled/populated areas
 - See next slide for Authorized ammo transportation routes
- Ammo will NOT be transported in passenger compartments
- POV will NOT be utilized to transport ammunition

Turn Ins

- Residue will NOT be transported in same vehicle with live ammunition
- Schedule Live ammo turn in & Residue turn in with Ft Picket ASP
 - Written in remarks block of DA Form 581
 - Unit Rep must contact ASP the day prior to appointments to verify both turn in of residue and live ammunition
 - If not verified, ASP will cancel appointments
- Separate turn in documents must be prepared for each DA Form 581 issue
 - For serviceable, unserviceable ammo & packing material/fired components
 - DA Form 581 for turn ins will be submitted to the ASP at least one full workday before turn in is made
- Serviceable ammo must be turned in in original containers
- No trash in trucks
- All expended material must be separated
 - i.e. 5.56mm, 7.62mm, 50 Cal, 20 mm, 40mm, 105mm, etc.
 - Blank brass must be separated from ball brass
 - If live ammo is found in residue, ASP will send unit back to range to sort/segregate the expended material from the live
- DA Form 5811-R will be used for unserviceable ammunition turn in documentations

Field A.S.P.

- Must be approved by Range Operations & Ammunition Surveillance Office (QASAS)
 - Must provide
 - Unit, Location of temporary F.A.S.P, types & quantities of ammunition to be stored, & inclusive date for storage
- Sufficient personnel, equipment and security must be provided to operate a F.A.S.P. aboard Fort Pickett
